WRITING TIP!

We use the past simple to talk about an event that happened in the past. For regular verbs we end verbs with **-ed**. The spelling of these **-ed** endings vary. For most verbs, we add **-ed** to the end:

*I **played** the guitar.*

If the verb ends in **e** then we add **-d** to the end:

*I really **liked** it.*

Some verbs are irregular:

*I **went** to the park.*

*We **were** the winners.*
