Winter

In the winter, we don't see the sun very much. There's one long night for four weeks in December and January. There are some big snowstorms and it's very, very cold. We go to school by skidoo because we can't use a car.

Summer

In the summer, there aren't any snowstorms. There are often long, sunny days. For a month, it's never nighttime! I go kayaking and fishing every day. The summer is great but it's very short. In September, it's time for my winter clothes again.

*Hi. I'm Inuk.
I live in Greenland.
Winter and summer are very different here.*

21  Read again and say *summer or winter*.

- 1 People use boats.
- 2 People use skidoos.
- 3 There are very long days.
- 4 There are big snowstorms.
- 5 There isn't very much sun.

22  Talk about living in Greenland.

A: I want to live in Greenland because I love the snow.

B: I don't want to live there. I love the sun.

MINI PROJECT

23 Write a blog post.

- **Think** about the summer and winter in your country. Are they very different? What months are the summer and winter?
- **Plan** by making a note of three things you like and three things you don't like about each season.
- **Write** a blog post. Include what you like and don't like about the summer/winter, what clothes you wear, how you get to school and what you do in each season.
- **Share** your blog with the class.

READ Read and listen. What's the name of the statue?

WRITING

Dear Archie,

Hello from Egypt! It's very hot here. There are some big pyramids and there's a big statue, too. It's called the Sphinx. It's got a man's head and a lion's body. It's very old.

Our hotel is on an island in the River Nile. There aren't any cars on the island. There are some big white birds in the river.

This holiday is fantastic! Are there any fun lessons at school this week?

See you soon,

Mia
